

Chinese Characters for Parade Drums

春 Chūn / Spring

好 Hǎo / Good

Directions:

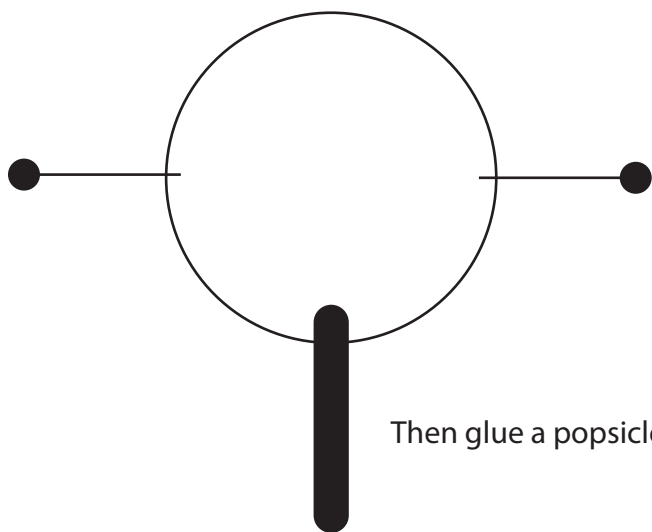

Color two paper plates red

Copy the Chinese Characters on the plates with black marker or gold paint marker

Cut two pieces of string 5 inches

Attach to one end of each string a small bell, or button

Once the plates are dried from decorating, turn one plate over and glue the string down, as shown.

Place the other plate, decoration side up, on top of the glued plate and staple all around.
Holding the stick, twist the plate back and forth to make the drum sound.
